CHARGERS

Parent News

Dear Parents:

GOD & OTHERS

Sickness: It's a different time now when your child gets sick. We know parents do what they can to communicate about absences, but want to communicate the most helpful way for our school staff. Please email the school office in addition to your child's teacher (if in elementary school) at cca.office@crawfordchristianacademy.org for any of the following reasons. If you call, please just call the school office.

- Your child is sick and will be absent.
- Your child has been exposed to Covid-19 and will need to temporarily join our cyber-live experience.

This will allow us to best help your child and get them set up with the necessary resources or make up work. Thank you!

Quarantines: Thank you to all families who have communicated so well with our office regarding illnesses this year. We understand that it's a challenging and complicated time. If your child finds out that they either have a positive Covid test or have been exposed to someone with a positive test, **please continue to contact the office as soon as possible.**

Generally, these are the guidelines we are following. **Please note each case is different and individual decisions will be made according to the PA Dept of Health guidelines.*

- If your child has been exposed, there is a 10 day quarantine.
- If someone in the home has a positive test, any persons who are exposed and living in the home have 10 days of quarantine after the positive case has finished their quarantine (10 days with improved symptoms), adding to generally 20 days.

Thank you for your continued support as we work hard to stay in school and keep everyone safe.

February Free Lunch/Pizza orders DUE WEDNESDAY 1/13: The February food calendar is attached to this e-mail and has also been uploaded into RenWeb for your convenience. The items available to order such as pizza and hot dogs are noted in blue, and the free lunch options are listed in black. To select the free lunch option, simply place a check mark in the small box by the date. If you are ordering milk separate from the free lunch option, you will need to write "choc" or "white" in each box on the day you would like your child to receive milk. Please also note on the bottom of your form that you are purchasing milk at 50 cents a carton. Please submit your orders with payment to the school office by January 13th. Free lunches are available to all students in 1st - 12th grades. When ordering the free lunches, it's all or nothing. No items may be selected individually, including milk. Please note that Friday's "snack" option is not a full lunch as we already offer pizza on those days. As a reminder, we will no longer be accepting late orders.

Midterms: Please remind your High School students that they need a book to read after they are done with their test. No devices will be allowed in the testing room. There will be breaks for snacks during every study period prior to an exam, please have your child bring a small healthy snack for this time. The High School Semester exam schedule has been posted and attached for you. All permission forms for exam exemption must be turned in to the office **by Friday, January 15th.**

Elementary Gym: Many of our students wear boots to school throughout the winter months. We are asking parents to please have your elementary student pack a pair of tennis shoes on Mon/Wed/Fri for gym time.

CCA for Life: Our new student pro-life group is taking donations to help the Watson Run Church "Embrace Grace" program that helps single teens who have had unplanned pregnancies. Donation boxes will remain throughout the school. Specific items may also be purchased through this link:
