## *Re-Enrollment Form*

543 Randolph St., Meadville, PA 16335  
Phone: 814-724-6606 Fax: 814-337-4357

Dear CCA families,

It's that time of year already - time to consider re-enrollment for next year! The 22-23 school year has been a whirlwind, so no wonder it's flying by. A year highlighted by new students, new staff, expanding programs, the big move into Vernon campus, additional classes... on and on we go, wherever the Lord leads us!

As we continue following His vision for this school and navigate healthy growth, we can't say enough how thankful we are for **committed and supportive parents and families. We appreciate your many sacrifices** and that you entrust us to help "train up children in the way they should go..." (Prov. 22:6). Lots of good things are happening at CCA and most importantly, children continue to grow and thrive as they seek to know, love, and serve God!

Please look over the attached documents and after you review the information, we kindly ask that families complete and submit the Re-Enrollment Form at your earliest convenience. Please return it to the school office and take advantage of the discounted registration fee of \$125 per child through March 15th.

**We remain committed to providing high-quality programs at a fair and affordable cost** to families and trust God's continued provision through tuition assistance for families that need it. Families can set up payment plans and apply for financial assistance through FACTS, just as before. Friendly reminder that a new tuition assistance application must be submitted each year for consideration.

The 23-24 tuition schedule reflects our best efforts to balance economic factors such as inflation and rising costs that affect every aspect of our programs. You will see that tuition did increase slightly and that book fees are included in the cost. Instead of a separate expense, book fees are rolled in with tuition and can be part of monthly payments.

As we develop and expand programs at all levels, more students will move to the Vernon campus and we anticipate two or more elementary grade levels moving there next year. These exciting adjustments are contingent on numerous factors and we will update families when decisions are finalized. Until that location is ready for everyone, we will continue the multi-site concept and are very thankful for this ongoing partnership with Calvary Baptist Church.

As always, **we ask for continued prayer and patience as we navigate these exciting growth challenges.** We are thankful for the opportunity to work together with your family throughout the remainder of this school year and look forward to receiving your completed re-enrollment form for the 2023-2024 school year soon.

Thank you for your consideration and please contact us with questions and concerns.
