CCA Shuttle

Did you know that CCA privately pays for the shuttle bus that takes our Vernon campus students to Calvary each day?

Did you know that the cost of that shuttle has increased significantly since we started bussing last school year?

Did you know that more families rely on this bus than ever before and it's almost **FULL** daily?

This shuttle has been such a **blessing** to many families. We are asking for **donations** to help offset the transportation costs of our shuttle.

Visit us at CrawfordChristianAcademy.org/donate and be sure to write "CCA Shuttle" in the comment section when you give today!

PSAT/NMSQT TESTING

CCA administers the PSAT/NMSQT for almost all juniors and interested sophomores every October. The test is optional, but encouraged for any student considering college. The cost is \$22 for CCA students and \$27 for homeschoolers. This cost includes the test administration and scoring. Testers will also receive access to Khan Academy's personalized SAT prep course based on their performance. Merit based scholarships to colleges are available through the NMSQT program to JUNIORS who perform exceptionally well on the PSAT.

New this year, College Board has determined all testing will take place DIGITALLY. There are no pencil & paper tests being administered. We encourage your student to practice at <https://satsuite.collegeboard.org/psat-nmsqt/preparing>.

Our testing date is set for October 11. Please have students sign up for the PSAT

by September 29. Due to limited computer space, we may need an additional testing date.

November 19-21 HS Leadership Conference

re:connect

Lead in the Midst of Cultural Confusion

ACSI LEADERSHIP CONFERENCE

Open to all sophomores - seniors. The Conference takes place on Sunday, November, 19 through Tuesday, November 21 in Washington, DC and is designed for LEADERS in the school. Transportation is provided by chaperones. The cost for the conference is \$325. This includes the cost of the conference, hotel room, meals, and transportation to and from the conference. **APPLICATIONS are available in Mrs. O'Day's office and are DUE NO LATER THAN October 2nd. We will let you know if you are accepted ASAP as the first half of the admission fee is DUE by October 11.**

Please note, not everyone applying will be selected to go. While anyone can benefit from the amazing line-up of speakers we will see, we are really wanting student initiated change to take place in our school. We want leaders who will come back and make an impact in their primary mission fields - their school and their community.

NEW THIS YEAR: to help us prepare our hearts and minds and to narrow our application and selection process, we will be having 2 meetings prior to the trip. There will be a reading passage and questions to complete before each of those meetings. Time and date of those meetings is TBD. Attendees will also be required to present to the school (orally or in print) and to participate in their group project which is created at the conference.

Get more information about this conference at www.redemptioneveryday.com.
