#GI♥INGTUESDAY

A Season of Giving

CCA continues to educate students to serve God and impact the world through Biblical thought and action. We have surpassed 330 students and are continuing to grow. With growth comes more expenses, more spaces needed, more desks, more paper, extra hands and the list goes on. We strive to keep Christian education affordable for families and rely on the generosity of many donors throughout the year. Will you consider CCA as you enter into the holiday giving season? Don't forget to add Giving Tuesday to your calendar following your Thanksgiving, Black Friday, and Cyber Monday plans.

You can give directly to CCA online at [**crawfordchristianacademy.org/donate**](https://crawfordchristianacademy.org/donate)

A group of CCA high school staff and students are heading to Washington DC to participate in ACSI's annual Leadership Conference this weekend. Please keep this group in prayer as they attend this event and learn how to lead their students and peers in Biblical Truth.

Local Author Visits CCA Vernon

Local Author Janyce Brawn visited the high school creative writing and speech classes to share about world building in writing. 6th grade enjoyed hearing about her middle grade fantasy series *David and the Drainosaurs*. You can purchase her kids series on Amazon. CCA is thankful for these enriching experiences for our

students' education.
