CHRISTIAN ACADEMY

A Message from Our Administrator:

An Overview, Update, and Challenge as We Continue Navigating Healthy Growth...

CCA Mission and Purpose

Crawford Christian Academy exists to educate students who will serve God and impact the world through Biblical thought and action. We provide a Bible-centered education dedicated to assisting parents and the local Bible-believing church in the task of training their children to reach their fullest potential—both academically and spiritually.

Current Status: Students, Staff, Facilities

At present, CCA serves over 350 students from preschool through 12th grade. We'll celebrate 23 graduates this spring and welcome 30+ new kindergarteners next fall. In other words, our enrollment continues to grow, and it's encouraging to see more and more families choosing Christian education to help prepare their children to be thriving adults in today's world.

Our faculty and staff are exceptional, providing students with quality education and learning experiences fueled by professional minds and ministry hearts. God's provision is evident, with more than 50 employees and numerous volunteers partnering with CCA's mission every day.

Our two-campus model has its challenges, but with ongoing adjustments, we continue to improve efficiency and foster growth. This year, Calvary Campus serves our preschool and primary grades (K-2), while Vernon Campus serves grades 3-12. Recent infrastructure improvements at Vernon Campus helped make this year's transition smooth and successful. Students at both campuses continue to thrive.

Recent Highlights: Programs, Events, Infrastructure

Students returned to school this year and immediately discovered new and exciting opportunities at CCA—new teachers, sports teams, and elective courses such as STEM, Creative and Culinary Arts, and Multimedia Arts, all expanding upon our top-notch academic programs! The enclosure of the recreation building, restroom improvements, and new classroom layouts have noticeably enhanced all of our programs.

Our spiritual development programs continue to grow, with authentic chapel experiences and discipleship groups supported by talented guest speakers. Already this year, we've had numerous outstanding events and assemblies for our students and guests, including a pro-life assembly, open house luncheons for pastors and grandparents, worship chapels, Veterans Day celebration, action-packed field trips, and more! And we're not even halfway through the school year! Trust me—you won't want to miss this year's Christmas programs, and just wait until you see what we've got planned for the spring!

What's Next: Vision, Plans, Action Steps

If you've been following CCA over the past few years, you've observed one thing that's been constant—change! Remaining grounded in our mission and purpose, we're focused on healthy growth and continual improvements as we follow God's will for CCA. We are confident that God led us to the Vernon location to utilize its potential. Our growing programs have revealed a compelling need—expanded facilities!

We're thrilled to announce the vision for additional classrooms and a gymnasium at our Vernon Campus. Please read through the information included in this packet, and as you envision these improvements, keep in mind these tremendous benefits:

- Ability to serve all CCA students on one campus
- Create space for increasing enrollment
- Develop new programs and strengthen existing programs
- Host athletic and performing arts events on campus
- Facilitate formal events such as banquets and graduation ceremonies on campus
- Provide a space for outside organizations, such as church groups, to host events

Challenge: Support, Capital Campaign, Fundraising

Our students and staff represent over 50 local churches, however, CCA is not affiliated with one particular church or denomination. Instead, we rely on support from a broad spectrum of Christian education advocates—including churches, businesses, and individuals who believe in our mission. As the demand for our programs grows rapidly, we need financial support to grow at the same rate. We are asking for your help.

Is God calling you or your organization to support Christian education? Will you help CCA continue to stand as a beacon for truth against cultural erosion? Do you want to see CCA's influence increase and serve more students? Will you support CCA's expansion through your generous giving? Various donors have already committed funds to get these projects started, but we have a long way to go... will you join them? Thank you for your prayerful consideration.

Blessings and kind regards,

Scott C. McCurdy
