Dear Business Owner,

On **Friday, May 1st**, more than **340 students** from Crawford Christian Academy will step out of their classrooms and into our community to serve. **Servathon** is a day dedicated to living out our mission of **knowing, loving, and serving God** — and we would be honored to partner with you.

Throughout Crawford County, our students will complete service projects at local **churches, nonprofits, community centers, and church camps**. Alongside parents and staff, they will give their time and energy to bless the very community that supports our school.

Servathon is our largest annual fundraiser. As God continues to bless CCA with enrollment growth, our operational needs increase as well. We remain committed to **keeping Christian education accessible and affordable** for families, and **corporate partnerships like yours** play a vital role in making that possible.

We invite you to consider partnering with us through one of the enclosed **sponsorship opportunities**. Businesses may support Servathon through **financial contributions, donated services, gift cards, matching gifts, or by serving alongside our students on May 1st**.

Enclosed you will find our **Corporate Sponsorship Benefits Package**, outlining sponsorship levels and recognition opportunities, as well as a **letter from one of our students** sharing what CCA — and Servathon — mean to them.

To ensure inclusion in Servathon promotional materials, we kindly ask that sponsorship commitments be received by **April 1st (T-shirt sponsorships must be reserved by March 20th)**.

Your investment directly impacts more than 340 students and helps strengthen Christian education in our community. We would be grateful for your partnership and are happy to answer any questions you may have.

Thank you for your time, consideration, and commitment to the Meadville community.

Kind regards,

Jenna Amy
